

COOLING

INTERNATIONAL LLC

***COMPREHENSIVE SOLUTIONS IN COMMERCIAL AND INDUSTRIAL
REFRIGERATION AND AIR CONDITIONING —
FREON OR AMMONIA FOR DIFFERENT INDUSTRIES.***

- ❄️ REFRIGERATED STORAGE FACILITIES.
- ❄️ SUPERMARKETS.
- ❄️ ICE PRODUCTION PLANTS.
- ❄️ SLAUGHTERHOUSES AND FOOD PROCESSING PLANTS.
- ❄️ EQUIPMENT SUPPLIES AND PARTS.

We are a distributor of refrigeration equipment and parts; we also offer design services, with the target of implementing medium to large turnkey projects in the refrigeration and air conditioning sector. We have many high quality products provided by manufacturers with long international careers.

We design comprehensive solutions, according to your needs, using the latest equipment and high energy efficiency.

Based on a concept of working together with local staff, personalized attention and directly at your work site, we aim to carry out the development of your project with the best price-value relation.

Mission

To be a company that effectively meets the demands of the international market for the design and the construction of Commercial and Industrial Refrigeration Systems and Cold Rooms, offering turn-key solutions, exceeding the customers' expectations for quality, versatility, reliability, energy saving and technologies applied, thus contributing to a rapid investment return and secure growth for our customers.

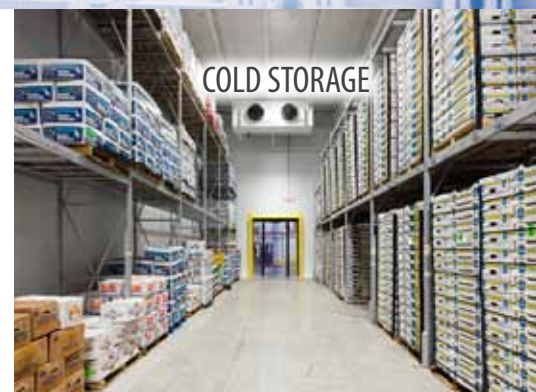

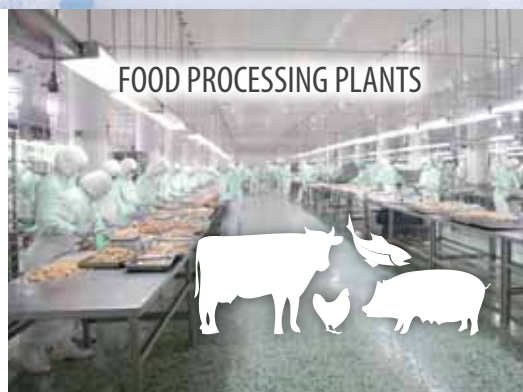

VISION

To be an international organization with local presence and to be chosen for our innovative solutions and products offered. To gain recognition for the professional quality of our personnel and for our contribution to environmental conservation.

PRODUCTS

We distribute equipment, parts and components for refrigeration such as materials and accessories for the construction of the best brands on the market in Cold Rooms, providing our end users and contractors competitive pricing, technical support of select equipment, installation and start-up.
